Featuring Student Artists,

TAYLOR CHILDS and KOLTON FREDERICKSON

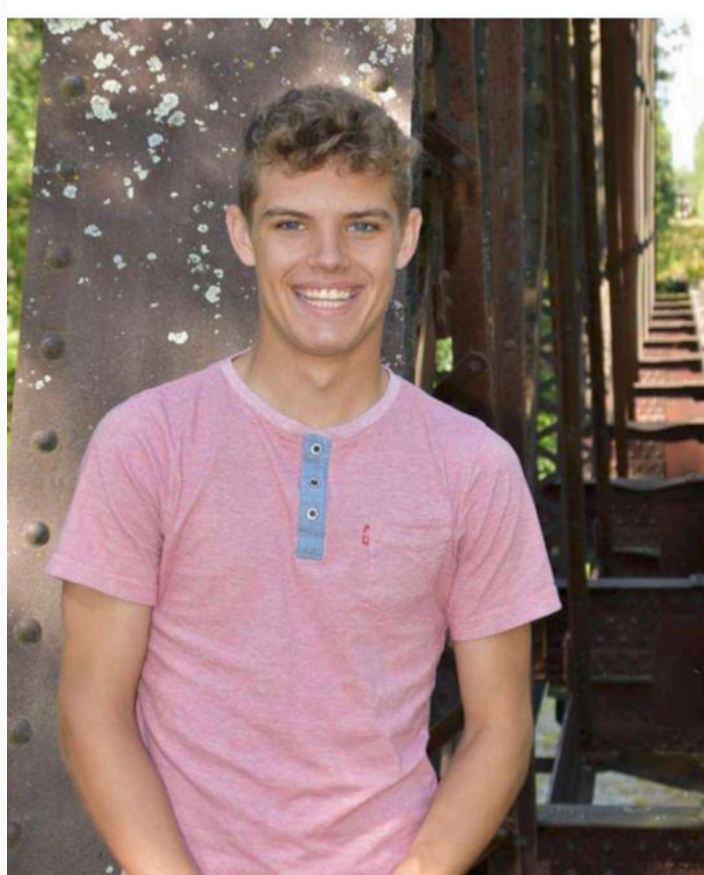

SUNDAY, APRIL 16, 2023
3:00 PM to 5:30 PM

We invite everyone to join us as we celebrate the opening reception of a month-long exhibition featuring student artists, TAYLOR CHILDS and KOLTON FREDERICKSON, both graduating Seniors from Spooner High School. They are in the Advanced Placement Art Program taught by Christine Sik. REFRESHMENTS WILL BE SERVED.

TAYLOR CHILDS

My name is Taylor Childs. I am a senior at Spooner High School. I have dedicated myself to AP art. I have loved art for as long as I can remember - in and out of the classroom! I always feel at ease when working with mediums, and I enjoy art because I can really express myself. This year through AP art I have been focusing on different mediums, techniques, and landscapes for my pieces. Nearly all the places I've drawn I have also traveled to with my family, the rest are locations I want to travel to!

KOLTON FREDERICKSON

My name is Kolton Frederickson. I am a senior at Spooner High School and I am currently in AP Art Drawing. In this course I am focusing on landscape artworks and crafting them in different mediums. I am able to pull from my experiences of traveling in the U.S. and abroad as inspiration for my work. I was fortunate enough to go to Spain and play soccer there which is an important part of my life and is the focus of a series of three paintings that will be in the gallery exhibit. My main goal throughout this course is to improve my painting skills by learning different techniques and improving my color matching skills.
